Call for Artwork

FOS is pleased to announce the 2nd Annual Avian Art Exhibit and Auction featuring art by talented ornithologists and bird enthusiasts. Pieces will be sold by silent auction during the Science Symposium. Both amateur and professional artists are encouraged to participate. Half of each sale will support student research awards at future conferences and the remaining amount is paid to the artist at the end of the event.

Submission Instructions:

Artists may submit up to 3 bird-themed works of fine art (photography, drawing, painting, collage, or sculpture). Pieces must be on display by Friday afternoon and removed by Saturday evening. Please email FOSbirdart@gmail.com by **Oct 27** with the following details:
